

Stay Forever

Ookay

No matter what it takes, I want you to stay forever
No matter what it takes, I want you to stay forever
No matter what it takes, I want you to stay forever
No matter what it takes, I want you to stay forever

No matter what it takes, I want you to stay forever

And now I'm standing here, giving you all I have
I never thought I'd be the one to say I need you in my life so
bad

No matter what it takes, I want you to stay forever
No matter what it takes, I want you to stay forever
No matter what it takes, I want you to stay forever
No matter what it takes, I want you to stay forever

No matter what it takes
No matter what it takes
No matter what it takes
No matter what it takes

No matter what it takes, I want you to stay forever
No matter what it takes, I want you to stay forever
No matter what it takes, I want you to stay forever
No matter what it takes, I want you to stay forever
