

Wonders

Ookay

I've seen the Great Pyramid of Giza
I'm standing to the eyes of Mona Lisa
I've seen all the wonders of the world
But they'll never compare to you
And I've been to the Eiffel Tower
And I've sat on the mausoleum for an hour
I've seen all the wonders of the world
But they'll never compare to you

I've stood at the feet of Zeus at Olympia
Snap a pic on Lighthouse of Alexandria
I've seen all the wonders of the world
But they'll never compare to you
Try some [?] by the Rome of Colosseum
Try to travel [?] every museum
I've seen all the wonders of the world
But they'll never compare to you
