Orianthi

And I, I notice the tapestries on the wall as well  
And I, I stand up and hit my head on the mobile  
And you, you look around too  
And we, time passes easily

I've opened up my mind  
So you can step inside  
You can expect to find  
A scenic ride

Pointyhead pizzeria perfect penetration  
Mezcal cuts off my brain communication  
Belligerence, lost my intellegence  
Talkin mess like shut up and listen to me  
Because cuttin' through the crap is my specialty  
Like a bomb I'm droppin yes a ton a lead  
You're tryin' to figure out the last thing I said  
I'm a Redwood, I love to be a tree yes I'm a Druid  
My words they're flowin' out like a fluid  
Never give in never conform  
I'll be bustin out rhymes in a triplet form  
Right Now

In another room, I sit and contemplate  
That winter night, my words were filled with hate  
In second sight, I should have known my fate  
But it's alright, now we're in a different state

Expiate, to make amends for hostilities  
It's easy to see that for me, in reality  
I'm not one of those fools  
With an ecclesiastical whitewash  
To set my ethical standards  
You'll never catch me lookin' to Ann Landers  
Or Moses or the law or even Buddha  
If there's one thing I know  
It's always be true to myself  
And learn from experience  
Educated by nights of violence, trips to jail,  
Broken knuckles and friendships  
But that gives me the power to write a groove that rips  
Right Now  
I Am
