

# Suffocated

Orianthi

In the beginning it was worth this  
Do the worst, feel complete  
Passing standards others meet  
(What we do best)  
Now perfect endings make you anxious  
Heavy head, a colder sweat  
Leaving nothing here, nothing to regret

Why am I still suffocating  
Constantly devastated just to stay alive  
Why am I still suffocating  
Constantly devastated just to stay alive

I miss the old days that we murdered  
They're so far gone, out of reach  
Watch 'em fade with summer's heat  
(Well it goes like this)  
Without a break from this distraction  
I need a change, a different scene  
A new approach to coming clean

Why am I still suffocating  
Constantly devastated just to stay alive  
Why am I still suffocating  
Constantly devastated just to stay alive

Still searching for a back door out of here  
Reassured that old friends will reappear  
Why am I still suffocating  
Just hold your breathe deep and I'll keep waiting  
[x2]

Why am I still suffocating  
Constantly devastated just to stay alive  
Why am I still suffocating  
Constantly devastated just to stay alive
