## Amoeba

Simple, pure life, evoked Gorged with, illness, disease Mutate, hidden secrets Transformed, life forms of death Treachery constantly bleeds from me Sinking deep in my seams morbidly The minute attributes seeping through Shifting and murdering mindlessly Invade, attack, attract, assail Inside, my life, in me, bleeding Out of obscurity, into me physically, mentally Invoking inwardly, involuntarily Out of obscurity, into me physically, mentally Invoking outwardly, involuntarily, tearing me fiendishly Out in obscurity, into me physically, mentally Invoking outwardly, involuntarily Come into me, and spread the disease And grow within me - your virus I have become the vector of pain Injecting in the amoeba Mutating me, now I'm the disease Contagion in me amoeba Exit from me, mutant disease Spout forth demise, topple all life Agony breeds in me freely I have become death's amoeba.
