

Codependency

Orla Gartland

[Verse 1]

I'm not happy if you're not happy
And I swear that you're always sad
You're pathetic, I resent it
When you're down, it hurts so bad

[Pre-Chorus]

It's like I'm half alive
But it's not your fault
Your life, it isn't mine
But I hate it

[Chorus]

I think I'm the problem with you
And I don't know what to do
And I see that's why they call it codependency

[Verse 2]

Oh, if I go runnin', you've got nothin'
I tackled you to the ground
And made you say that I'm good at singin'
I keep diggin'
Tell me I'm worth it (Tell me I'm perfect)

[Pre-Chorus]

It's like I'm half alive
And it's all my fault
Sometimes I wanna die
And I realise

[Chorus]

That I'm the problem with you
And I don't know what to do
And I see that's why they call it codependency
That's why they call it codependency

[Bridge]

And I'm cryin' out to be more
Than some little dog that just sits around
At your feet, that's not me
Oh, it isn't black and white
'Cause you fucked up too
You know it only hurts
'Cause it's true

[Chorus]

That I'm the problem with you
And I don't know what to do
And I see that's why they call it codependency
That's why they call it codependency
That's why they call it codependency

[Outro]

I'm not happy if you're not happy
And I swear that you're always sad
You're not happy if I'm not happy
And I swear that I'm always sad
