

Do You Mind?

Orla Gartland

Come take it all, I wanna know
If you're trying to be honest
Then why'd you break your promise?
You said you were mine
I wanna fall for you again
So much easier the first time
Long before the decline
You forgot that you said you were mine

How are you so mechanical?
I was shouting you just nodded
Was it everything you wanted
When you fell into those arms?

Do you mind?
If don't stop by
Cause when I close my eyes
I think of you beside her
It's a tired reminder
Of what I didn't wanna know

Now I don't cry
Like I used to cry
'Cause the time kept passing
And I just stopped asking how you were

You took it all
And went away
Had me running round in circles
You told me I should be assertive
So let's go, you said you were mine

Can't believe you didn't fight it
You dug a hole and hid inside it
Tell me are you proud

Do you mind?
If I don't stop by
Cause when I close my eyes
I think of you beside her
It's a tired reminder
Of what I didn't wanna know

Now I don't cry
Like I used to cry
Cause the time kept passing
And I just stopped asking how you were

I just stopped asking how you were
I just stopped asking how you were
I just stopped asking how you were
I just stopped asking how you were
(Do you? Do you mind that I stopped asking?)
I just stopped asking how you were
(Do you? Do you mind that I stopped asking?)
I just stopped asking how you were
(Do you? Do you mind that I stopped asking?)

I just stopped asking how you were
Do you?
Do you
