Unknown paths of the mind, glooming spheres of consciousness Reveal the second face of your life
When you please the soul, you'll be unfolded
But serenity is lost
As you fall into confusion of your mind
Dusk you'll see!
Sail the sea of dreams

Vision immortality, escape the destiny of your real life Would you like to be drowned in sleep forever? Join me and stay then darkness will remain And drain your consciousness Then you'll see the world from beyond - coward solution, easy way out Real life ignored - fantasy taking over now Mirror the past - get a life or wake up dead What do you fear? - is it your mind or life you dread? I think it's you! The sea of dreams, it's currents take you from the shores of Existence Fail and dream Fail!
