

eye remember
suffering

eye remember
... feeling the sting

of childhood
& injections

holy bruises
sweet infections

soaked
in
a
stew
like drowning
cockroaches

whose only ..
crime

was the
greed of
inherent
hunger

u know where
eye'm fragile

u know how
to kill

.....kill

all fall away
all fall today

PAIN!!
pain.

i can't keep
this rage in me

can't keep
pretending

can't be
this emtee

...anymore

i can
make
it go away
