

Lost Day

Other Lives

I'm on an exit out, no you won't see me this time
I'm in and out of love but you know I can find it
I'm gonna let you go, no you won't see me around
See I didn't want it then and I don't want it now

Ah it's a lost day, man, for the new-born seeker
See, I'm a natural kind and you won't find what you like
Now it's the last amen for the new-born seeker

Let me know you're real

Let me know you're real

I don't mess around, no you won't see me in time
It's a death-defying act, you won't believe
It's a lost day, man, for the new-born seeker'

Let me know you're real

Let me know you're real

Ah it's a lost day, man, for the new-born seeker
Now it's the last amen for the new-born seeker
