

# Are You Lonely for Me, Baby?

Otis Redding

This was the last train, ya'll, to Jacksonville, hu  
I'm gonna get on it baby, you know I will, now  
Will you try, just come on and try  
To forget all the pain that I brought you  
Go on and cry, go ahead and cry, baby  
I know that I'm the one who, who, who taught you, yeah  
To be lonely baby, a lonely and blue  
Hey, I'm lonely baby, and I'm lonely for you

Are you lonely for me baby  
Coming, coming, coming, coming on home now  
Are you lonely for me baby

It's the all last bus, to Jacksonville  
Are you my sweet baby, are you still  
I tell my friend, it's the end  
That you'll never again desert me  
He will laugh baby, I can hear him laughing honey  
He will say that I was born to get hurt you  
What he's learned baby, sorry and blue  
Hey I'm lonely baby, yes I'm lonely for you

Are you lonely for me baby  
Hold on baby  
Are you lonely for me baby  
I'm coming home, I'm coming home, I'm coming home  
Are you lonely, lonely for me baby, oh

It's a long ride to Jacksonville  
But no one will ever know the way I feel  
Will you be there, will you get be there  
When I, when I, when I, when I get off the train, girl  
Yes I'm gonna be there, that I'm gonna be there, you  
know I gotta be there  
'Cause I wanna see you there  
Oh, I'm lonely baby, lonely and blue  
Hey, I'm lonely baby and I'm lonely for you

Are you lonely for me baby  
Yes I am  
Are you lonely for me baby  
Yes yes yes yes I am  
Are you lonely for me baby  
I'm coming home, I'm coming home...
