Pain in My Heart

Otis Redding

Pain in my heart she's treating me cold where can my baby be Lord no one knows. Pain in my heart just won't let me sleep where can my baby be Lord where can she be Another day, as again it is though I want you to come back, come back, come back, baby, 'till I ge t enough A little pain in my heart just won't let me be wake up at restless nights Lord and I can't even sleep Stop this little pain in my heart Another day as again it's rough I want you to love me, love me, love me, baby, 'till I get enou qh Pain in my heart, a little pain in my heart stop this little pain in my heart stop this little pain in my heart

someone stop this pain someone stop this pain
