Otis Redding

Tell the truth  
Tell the truth, girl, now  
You know you got me goin' everything crazy that you want me to  
do  
Yes you have girl  
Don't you, don't you, don't you know you gotta tell the truth,  
yeah huh  
Baby, baby, baby, babe why don't you tell me truth, now, uh  
You know you got me goin' everything crazy that you want me to  
do  
Yes you have, yeah watch it

lovin' you is just a little bit easy started, so hard to stop  
Feel how could  
Baby, bay, you know I would  
I feel a strong all around  
If I thought that it would do any good, mama  
Tell me the truth, yeah  
Lit-lit-lit-lit-little girl just  
Tell me the truth now, yeah, huh  
You know you got me goin' everything foolish that you want me t  
o do

Oh play it  
Come on Steve, yeah  
Tell me, tell me, tell me the truth now

Tell the truth now  
Lovin' you is easy to start, hard to stop  
But I'm gonna just tell you this, uh  
If I had to do it  
Baby you know I would  
I would feeling strong all around  
If I just thought that it would do me some good, aahhhh

The truth now  
Tell 'em, tell 'em, tell 'em, tell 'em, tell, just tell me the  
truth now  
Just tell me the truth now  
Got to tell me no lie  
I wanna tell you the truth now  
Don't you, don't you tell me no lie, ah  
Just tell me the truth now  
Don't you, don't you tell me no lie girl, huh  
Just tell me the truth now...
