

# Innocent

## Our Lady Peace

Oh, Johnny wishes he was famous  
Spends his time alone in the basement  
With Lennon and Cobain and  
A guitar and a stereo

And while he wishes he could escape this  
But it all seems so contagious  
Not to be yourself and faceless  
And a song that has no soul

I remember feeling low  
I remember losing hope  
And I remember all the feelings and the day they stopped

We are, we are all innocent  
We are all innocent  
We are, we are...

We are, we are all innocent  
We are all innocent  
We are, we are...

Oh, I dreamed of losing faith and what she knows  
And some music hits on the foreclose  
Thinks of surgery and a new nose  
And the galleries of war

And while she wishes she was a dancer  
And that she'd never heard of cancer  
She wishes God would give her some answers  
And make her feel beautiful

I remember feeling low  
I remember losing hope  
I remember all the feelings and the day they stopped

We are, we are all innocent  
We are all innocent  
We are, we are...

We are, we are all innocent  
We are all innocent  
We are, we are...

One day, you'll have to let it go  
You'll have to let it go  
No...  
One day, you'll stand up on your own  
You'll stand up on your own

Remember losing hope  
Remember feeling low  
Remember all the feelings and the day they stopped

We are, we are all innocent  
We are all innocent  
We are, we are...

We are, we are all innocent  
We are all innocent  
We are, we are...

We are (one day), we are all innocent  
We are all innocent (you'll have to let it go)  
We are, we are (you'll have to let it go, no..)

We are (one day), we are all innocent  
We are, we are (you'll stand up on your own)  
We are, we are all innocent (you'll stand up on your own..)

We are, we are all innocent
