We are, we are...

```
Oh, Johnny wishes he was famous
Spends his time alone in the basement
With Lennon and Cobain and
A quitar and a stereo
And while he wishes he could escape this
But it all seems so contagious
Not to be yourself and faceless
And a song that has no soul
I remember feeling low
I remember losing hope
And I remember all the feelings and the day they stopped
We are, we are all innocent
We are all innocent
We are, we are...
We are, we are all innocent
We are all innocent
We are, we are...
Oh, I dreamed of losing faith and what she knows
And some music hits on the foreclose
Thinks of surgery and a new nose
And the galleries of war
And while she wishes she was a dancer
And that she'd never heard of cancer
She wishes God would give her some answers
And make her feel beautiful
I remember feeling low
I remember losing hope
I remember all the feelings and the day they stopped
We are, we are all innocent
We are all innocent
We are, we are...
We are, we are all innocent
We are all innocent
We are, we are...
One day, you'll have to let it go
You'll have to let it go
No...
One day, you'll stand up on your own
You'll stand up on your own
Remember losing hope
Remember feeling low
Remember all the feelings and the day they stopped
We are, we are all innocent
We are all innocent
```

```
We are, we are all innocent
We are all innocent
We are (one day), we are all innocent
We are all innocent (you'll have to let it go)
We are, we are (you'll have to let it go, no..)
We are (one day), we are all innocent
We are, we are (you'll stand up on your own)
We are, we are all innocent (you'll stand up on your own..)
We are, we are all innocent
