

## Rabbits

### Our Lady Peace

See the light in the distance  
Ten seconds from sleep  
If you blink, you could miss it  
Voluntarily

If it's home that you're missing,  
Better call the police

Hopelessly  
Lost at sea  
The holes we dig  
To survive  
Like rabbits we run

Gonna join the resistance  
Gonna tighten their leash  
Try and find some persistence  
Temporarily

If it's home that you're missing,  
Then rev up your speed

Hopelessly  
Lost at sea  
The holes we dig  
To survive  
Like rabbits we run

Like rabbits we run (4x)
