Oo so shine your light oo so extra bright
Make sure you find yourself before your're found Outasight
Took a long while didn't know it comes easy
Had some good friends, girlfriends who didn't believe me
This aint no victory lap, I don't sleep I don't nap
I'm just tryna do me and now you see where I'm at
And you should go and try and try and do the same
And take a ride with me on this memory lane... damn

Ride, ride, ride around the city
I got my windows down and I wanna take you with me
So go and close your eyes and see the world is mine
I think it's about that time that everybody shine

Shine your light
Shine your light on the world
Shine your light
Shine your light
Shine your light
Shine your light on the world
