

Professional Daydreamer

Over the Rhine

Part of me, you are a part of me
I never want to lose
Hard for me this is too hard
Maybe I can't get through

What will I miss the most?
Pray that I'm haunted by your ghost

Listening you're always listening
I don't know what to say
Why don't you turn and run at break-neck speed
Just to get away?

And when you catch your breath
Pray I said every word I meant

Alright, it's alright now
Alright, it's alright

Broken down, we're all so broken down
Bandages on our wings
I know I don't have to tell you
Only broken hearts can sing

I'm hoping for a sign
Pray that I'm anything but fine

Alright, it's alright now
Alright, it's alright
Alright, it's alright

Some things are never gonna change
You ought to know by now
You ought to know by now

Alright, it's alright now
Alright, it's alright

Alright, it's alright
Alright, it's alright
