

In Union We Stand

Overkill

From the islands to the cities, from the ports into the sea
We are strong, we will always be...
Blazing through the wreckage, burning all we see
The life we lead committed to be free...
Our union is a fortress, together we are bound
A common bound in freedom and in sound!
So raise your voices high for miles around to hear
Let them know we are drawing near...

~In union we stand~ as they blaze across the land
~In union~ we make a final stand...

A peaceful co-existence is dropping out of sight
So band together, together we will fight
Blasting the resistance, marching to the top
They started this, we say when it stops
Strike fear within their hearts, strike down those in your way
Let them know that we live today!
They throw us into flames, did not hear our cries
But now from the ashes we arise...

~In union we stand~ as they blaze across the land
~In union~ we make a final stand...
