Eponine

OZMA

Whoa my eponine, can't you hear the words i sing? Can't you hear the words i sing? A crush can never be resolved Seems like every resolution ends in tragedy Singin' whoa, my eponine

We swore we'd die to end this bolshevik And now it's time Time to put an end to all your woe

(whoa) my eponine, can't you hear the words i sing? Can't you hear the words i sing?

You can't just let this world revolve Seems like every revolution ends in casualty Singin' whoa oh oh my eponine

Before you go, just these last words for you I love you so
And love can bring an end to all your woe

(whoa) my eponine, can't you hear the words i sing? Whoa my eponine, you can't just let this world revolve Whoa my eponine, can't you hear the words? Can't you hear these words? Whoa my eponine, can't you hear the words i sing?
