No One Needs To Know

OZMA

```
(no one needs to know)
One needs to know if a lover's being faithful
One needs to know if a lover's being true
One needs to know if a lover's being faithful
And i'm being faithful to you

I don't know what you're thinking we should do
I don't know if the words you say are true
But let me tell you this for sure...
The things we're doing just aren't pure and no one needs to kno
w but me and you

You don't know all the things she put me through
You don't know if the words i say are true
But let me tell you this tonight...
The things we're doing just aren't right and no one needs to kn
ow but me and you

No one needs to know
```
