

# Happiness

Paatos

Suddenly the strangest feeling  
Inside of me  
I don't know what it is  
Turning into someone else  
Do i need it  
Still i don't know what it is

Suddenly my only friend is  
Loneliness  
And all i'm wishing for is  
Happiness

Searching for a part of me  
My long lost friend  
Where could she be?  
Suddenly my world is turning  
My life stands still  
Calling my name

Suddenly my only friend is  
Loneliness  
And all that i am wishing for is  
Happiness

Suddenly my only friend is  
Loneliness  
And all that i am wishing for is...
