

Look At Us

Paatos

look at us watching
our life go by
thinking our destiny will decide
look at us wishing our life would change
praying to someone in outer space...

...we continue to do
what we've always done...

look at us cursing what life became
could it have turned out another way?
look at us failing to realize
the journey begins within our minds...

if we continue to do
what we've always done
we will continue to get
what we've always got...

look at us watching our days go by
wishing for someone to tell us why
look at us failing to realize
change will begin within our minds...

if we continue to do
what we've always done
we will continue to get
what we've always got...
