

I Won't Drink Again

Paddy and the Rats

Meet you in the morning
Backstage pass' still on my neck
I smell like stinky, old boots
All night dancing' on the deck

Dry rogue's in the corner
Of my mouth, it's not from you
My head swims, you're just shouting
And I don't know what to do

And I swear, I will be stronger man
And I swear, baby I won't drink again

So you say, I must get over it
'Coz you found me in the garbage
When I got a bad hangover
I look like Santa Claus
You say if I won't be sober
You pick up the kids and leave me
So I lie to you all the time:
I swear, I won't drink again

You want me to grow up
'Coz you think my life's a mess
But I won't be like our neighbours
For sure, this I must confess

I won't tend to the roses
Instead I go to pub
I sing "Pocket full of poses"
I just don't give a fuck

And I swear, I will be stronger man
And I swear, baby I won't drink again

So you say, I must get over it
'Coz you found me in the garbage
When I got a bad hangover
I look like Santa Claus
You say if I won't be sober
You pick up the kids and leave me
So I lie to you all the time:
I swear, I won't drink again

Ooo, I won't drink again
Ooo, I won't drink again
Ooo. I won't drink again
Ooo, I won't drink again

And I swear, I will be stronger man
And I swear, baby I won't drink again

So you say, I must get over it
'Coz you found me in the garbage
When I got a bad hangover
I look like Santa Claus
You say if I won't be sober

You pick up the kids and leave me
So I lie to you all the time:
I swear, I won't drink again

And I swear, I will be stronger man
And I swear, baby I won't drink again

So you say, I must get over it
'Coz you found me in the garbage
When I got a bad hangover
I look like Santa Claus
You say if I won't be sober
You pick up the kids and leave me
So I lie to you all the time:
I swear, I won't drink again

Ooo, I won't drink again
Ooo, I won't drink again
Ooo. I won't drink again
Ooo, I won't drink again
