

## Song of a Leprechaun

### Paddy and the Rats

Across the silver river  
Over the dells and hills  
To see the sun is shining bright  
Above the greenest fields  
I look for the maker of Éire  
Who makes the world go round  
Just wait a response patiently  
But I just can hear a sound  
Ooooooh  
Look for my inner silence  
And I need it to find in me  
Ooooooh  
Let's return to innocence  
What we really have to be  
I believe in God, The Father  
The maker of heaven and the earth  
A place to call my home  
I pray for Ireland  
I believe in God, The Lover  
The wonder that love can do  
Cause love is godsend in his son  
As patiente as so true
