

## Who Cracked Your Egg?

Page France

Need I remind you of the silent laugh  
The Siamese cat in a pinstriped hat  
With a pellet gun  
Now it just rains on everyone

Now that youâ€™re happy, I hate your smile  
I make you cry, I make you cry  
Somethingâ€™s not the same  
Who cracked your egg, who cracked your egg?

The chicken path, chickens hatch  
But my rotten boneâ€™s still black

Need I remind you, of a (?)  
A cloud of smoke, and a tasteless joke  
Now it just rains on everyone  
Now it just rains on everyone  
Now it just rains on everyone
