Hallelujah

Pain Of Salvation

I've heard there was a secret chord That David played, and it pleased the Lord But you don't really care for music, do you? It goes like this: The fourth, the fifth The minor fall, the major lift The baffled king composing Hallelujah

Hallelujah, Hallelujah Hallelujah, Hallelujah

Your faith was strong but you needed proof You saw her bathing on the roof Her beauty and the moonlight overthrew you But she tied you to a kitchen chair She broke your throne and she cut your hair And from your lips She drew the Hallelujah

Hallelujah, Hallelujah Hallelujah, Hallelujah

Maybe I've been here before I know this room I've walked this floor And know I used to live alone before I knew you And I've seen your flag on the marble arch Love is not a victory march It's a cold and It's a broken Hallelujah

Hallelujah, Hallelujah Hallelujah, Hallelujah

It was a time, when you let me know What's really going on below But now you never show It to me, do you? But I remember when I moved in, you And holy dark was moving too And every breath we drew Was Hallelujah

Hallelujah, Hallelujah Hallelujah, Hallelujah

Maybe there's a God above And all I ever learned from love Was how to shoot somebody who outdrew you It's not a cry But I you can hear at night It's not somebody who's seen the light It's a cold and It's a broken Hallelujah

Hallelujah, Hallelujah Hallelujah, Hallelujah

Hallelujah, Hallelujah Hällelujah, Hallelujah
