

# Death Dance

Palaye Royale

I never thought I'd be so mean  
Never thought I'd be alone at nineteen  
But all these thoughts are in my head again, head again  
And all these thoughts are running through my brain and out the door  
Rather be dumb than sane, rather be numb than in pain  
But you can't see all the things I'm going through  
Rather be dumb than sane, I'd rather be numb than in pain  
But you can't see all the shit I'm going through

No no no, no no no, I hide my pain inside  
No no no, no no no, I bleed to feel alive  
Oh woah, oh woah, I am dead inside  
No no no, makes it hard to survive

No you can't find my reasons, no you can't find my pain  
We all got lost in Jesus, but he can't take away my pain  
I'm looking for something more  
So take me away, from out the door  
No, I'm looking for you outside to say

No no no, no no no, I hide my pain inside  
No no no, no no no, I bleed to feel alive  
Oh woah, woah, I am dead inside  
No no, yeah

No, I can't take it, all of these memories  
I can't fake it, I'm trying but I am dying  
I just want to, oh just be myself  
I have tried to, but now I am someone else

No no, no no no, so please be kind  
No no, no no, I'm losing my mind  
No no, no no, I'm really not fine  
Oh... I'm really not fine

We live in an age where sex and horrors are gods  
We live in an age where all of our bodies are flawed  
We live in an age where sex and horrors are gods  
We live in an age, we live in an age  
We live in an age where sex and horrors are gods  
We live in an age where all of our bodies are flawed  
We live in an age where all of our bodies are flawed, are flawed, no

No, I can't take it, all of these memories  
I can't fake it, I'm trying but I am dying  
I just want to, oh just be myself  
I have tried to, but now I am someone else
