

## Doom (Empty)

Palaye Royale

He is coming  
Out to get me  
Man in Black is getting angry  
Come to collect  
What I owe him  
The devil will be disappointed

'Cause I'm empty  
So empty  
I'm empty  
So kill me  
I'm empty  
So empty  
I'm empty  
So kill me

No escaping  
What is coming  
Eternity of being nothing  
Wish me well on my exhibition  
No point of life if you ain't living

'Cause I'm empty  
So empty  
I'm empty  
So kill me  
I'm empty  
So empty  
I'm empty  
So kill me
