

Ma Chérie

Palaye Royale

Well I can't seem to make you smile
Anymore, anymore yeah
What happened to the dresses
You wore before, wore before

Well I see I see
You dancing tonight
Under under
His street light
Well I see I see
You drifting away from me
Baby

Ma Chérie
Time won't be enough
To make you even fall in love with me
Prefer the needle to me
Want to hold you in my arms
But you want nothing to do with me
Ma Chérie

Well I can't seem to make you love me today oh today
I just want to see that frown go away go away

Well I see I see
You dancing tonight
Under under
His street light
Well I see
You drifting away from me
Baby

Ma Chérie
Time won't be enough
To make you fall in love with me
The needle on me
Well I loved you, and you walked away from me
It's the little little things
That you do baby
That make me so damn crazy
I want to see
Wanna hold you in my arms
But you want nothing to do with me

Oh when you walked away
I'll always remember that day
She couldn't love me anymore
She just walked out the door
I just need her to stay
Baby

Ma Chérie
Time won't be enough
To make you fall in love with me
The needle on me
Well I loved you and you walked away from me
It's the little little things

That you do baby
That make me so damn crazy
I want to see
Wanna hold you in my arms
But you want nothing to do with me

Ma Chérie
Time won't be enough
To make you fall in love with me
The needle on me
Well I loved you and you walked away from me
It's the little little things
That you do baby
That make me so damn crazy
Wanna see
Wanna hold you in my arms
But you want nothing to do with me

The needle on me
Oh ma, ma, ma chérie

Ma Chérie
Time won't be enough
To make you fall in love
The needle on me
I held you in my arms
But you want nothing to do with me
