

Where Is the Boom?

Palaye Royale

All my friends are living my dreams
Do you know how I feel
Do you know what I mean
Running circles around my brain
I promise I'm not insane
just a little bit yeah
Well I don't really care

About the clothes that you wear
Or the pills you take
Or this life you fake
Well the drugs catch along
All you bastards hum along
All you whores all sing along
La la la...
1 2 3 oh

All my friends are living my dreams
Do you know how I feel
Do you know what I mean mean mean honey
All my friends are living my dreams
Do you know how I feel
Oh can't you see see see baby

I tried to sell my soul
It didn't go so well I'm sure you know
Well I wanted to say
My life is but a dream
They say but they stole my dreams again

I want to go want to live my own life
Want to find all the things I've lost inside
Everytime that I try
Then I see you smiling, see you smiling
I want to go want to live under the sea
I want to live in a yellow submarine
Everytime that I try then I see you smiling, see you smiling
I want to go, it's not my cup of tea
I don't like the things you say to me
Everytime that I leave then I see you smiling, see you smiling

1 2 3 4
All my friends are living my dreams
Do you know how I feel
Do you know what I mean mean mean honey
All my friends are living my dreams
Do you know how I feel
Oh can't you see see see baby

I tried to sell my soul it didn't go so well
Cuz I'm still here, right here, right in front of your face so
God saved the queen
But he didn't save me, didn't have time for me

I wanted to say
My dreams are dead again but I say
Time and time again

Alright
Come on now
All my friends are living my dreams
Do you know what I mean
Oh can't you see see see
Oh can't you see
