

Up North

Pale Young Gentlemen

Found a letter in the mail today.
Now I've got to go and fight this war.

But I'm in love.

Met a doll the other night.
I've got to find a way to keep her.
I don't wanna die.
She's my girl.

Steal away with me tonight.

Found a way
I figured out
just why I'm going
I'm not a college boy.

I don't know.
I'll go up north.

You and I will find a car.
We'll wind it up.
We'll ride it out.
I'm staying with you forever.

I'm staying with you
up north
up north.
