

# Mandolin Rain

Pam Tillis

Song came and went, like the times that we spend  
I melt from the rain, under the carnival tent  
I'd laugh and he'd smile  
And it would last for a while  
You don't know what you got til you lose it all again

Listen to the mandolin rain  
Listen to the music on the lake  
Listen to my heart break, any time that he goes away  
Listen to the banjo with a sad song  
Driftin along  
Listen to my tears roll  
Down my face as he turns to go

Cool evening dance  
Listenin to the bluegrass band  
Takes the chill from the end til they play the last song  
And I'll do my time, keeping you off my kind  
But theres moments that I fing I'm not feelin so strong

Listen to the mandolin rain  
Listen to the music on the lake  
Listen to my heart break, any time that he goes away  
Listen to the banjo with a sad song  
Driftin along  
Listen to my tears roll  
Down my face as he turns to go

Now on the lake shore I hear the love song of a summer storm,  
That played on the lake like a mandolin  
Now its washin him away once again  
Once again

Listen to the mandolin rain  
Listen to the music on the lake  
Listen to my heart break, any time that he goes away  
Listen to the banjo with a sad song  
Driftin along  
Listen to my tears roll  
Down my face as he turns to go
