

# Spilled Perfume

Pam Tillis

I ain't even gonna ask you  
I can read you like a book  
Girl, if I ever saw one that's an  
I can't believe I did that look  
You look like something  
That the cat drug in  
So I won't kick you while you're down  
Just let me tell you, friend to friend  
About a block I've been around

Did you really think last night  
Would last forever  
Did you really think that guy  
Hung the moon  
Right now, you hate yourself  
Cuz you knew better  
But there's no use crying  
Over spilled perfume

There's a big difference  
Between lonely and  
Lonely for way too long  
And I knew when he made his move  
You weren't feeling all that strong  
So I bit my tongue  
Cuz I saw it coming  
She danced so close to him  
It's two steps forward and three steps back  
When a heart is on the mend

Did you really think last night  
Would last forever  
Did you really think that guy  
Hung the moon  
Right now, you hate yourself  
Cuz you knew better  
But there's no use crying  
Over spilled perfume

You fell in a moment of weakness  
When, you've just gotta  
Pull yourself back up  
Dry your morning-after tears  
Cuz what's done is done

Did you really think last night  
Would last forever  
Did you really think that guy  
Hung the moon  
Right now, you hate yourself  
Cuz you knew better  
But there's no use crying  
Over spilled perfume

No use crying over  
No use crying over  
No use crying over spilled perfume
