

## Faces In the Crowd

Panda Bear

To my guy 'til I die

If it's real good or it's lame

It's you

Still, you looking back

Look into the mirror

Look into the mirror, it's a game, oh

You like it or you don't

Look into the mirror

Look into the mirror, it's a game, oh

You like it or you don't

If it's real good or it's lame

It's you

Still, you looking back

Go ask why, no reply
