

# Untitled 1

Panda Bear

I will be in my mind and  
Be upon my life  
We'll be the same  
And this will be the same  
Must the world let go of you?  
You're mine  
You're mine  
Yourself  
You're somewhere  
Young cries  
This is how we'll speak to you  
This is how you'll know me
