

I Feel Free

Pandora

I feel free
I feel free
When you were in my life
You tried to stop me living
Nothing I did was right
Always putting me down
Now I wonder where you are
Is the memory of me still in your heart?
'Cos I gotta let you go
You know I gotta move along
I feel free(I feel free)
I feel free,yeah
I feel free(I feel free)
I feel free,yeah
Sorry,but I can't be
Your super woman
I want you to want me
The way that I am
Tell me who you think you are
Don't fool yourself,you ain't no star
You better treat somebody right
You won't get me a second time
I feel free(I feel free)
I feel free,yeah
I feel free(I feel free)
I feel free,yeah
I feel free I feel free
I've got to tell you I feel free and it feels so good
I feel free,I feel free,I feel,I feel,I feel
I feel free
It's so good to be alive
And I gotta tell you why
So much better than before
I don't need you
I feel free
I feel free
