

Alpine Skiing

Pansy Division

I got a brand new dance that I want you all to learn 1, 2, 3, 4
Alpine skiing
It's something I'm into
But you might not do it
The way I do
It takes three people
To do it right
You need a guy on your left
And a guy on your right
Get a rythm going
Get a rythm going yeah
I'm alpine skiing
And it ain't snowing
It ain't snowing yeah
Yeah

You don't need no winter
You don't need no cold
Just get your hands
Arround two poles
Move 'em up and down
In a steady motion
Gets you higher
Then any drink or drug or potion

Get a rythm going
Get a rythm going yeah
I'm alpine skiing and
It ain't snowing
It ain't snowing yeah

If you think about what I say
You'll ski alpine some day
Climb every mountian
Ford every stream
Make both your partners scream

Get a rythm going
Get a rythm going yeah
I'm alpine skiing and it ain't snowing
It ain't snowing (X6)
It ain't it ain't it ain't snowing
It ain't snowing
It ain't snowing yeah
