

Negative Queen

Pansy Division

He thinks hers oscar wilde, but hers paul lynde
Canrt say anything good about anything
He flips his cigarette with disdain
Yourve failed to live up to his standards again
Hers a negative queen, hers a negative queen
He reads all the latest magazines
Hers quick to fallow, but thinks hers in the lead
He was there and you werenrt
Yourre out of it, yourre not current
Hers a negative queen, hers a negative queen
He drips disdain, hers lacking tact
Hers popular in a scene
Where being nice is a radical act
Everythingrs got to be just so
If itr's not, herll let you know
Donrt put up posters on castro street
Herll rip them down so he shop in peace
Hers a negative queen, hers a negative queen
He struts into a bar with swagger
Stumbles out later with a stagger
Spent half his life in a bar
Now he looks so haggard
No sympathy for a braggart
Everythingrs got to be just so
If itr's not, herll let you know
Darling, you simply havenrt lived
Unless yourve lived like him
Hers a negative queen, hers a negative queen
