

# This Is Your Life

Pansy Division

You had it all arranged  
How our life would be  
Problem is, you never asked  
Or consulted me

We'd share your life  
Your loving man at home  
Forgetting that I have a life  
That I can call my own

You wrote the role  
You'd have me play  
But I'd have to be an actor  
For it to work out that way

This is your life, not mine  
This is your life, not mine  
This is your life, not mine  
And I'm getting out in time

You've had this house  
And lived in it for years  
Now you want me to give up my place  
And move in with you here

But it has your stamp  
A strong identity  
No matter how much I love you  
It'll never belong to me

The life you've planned  
I could never take  
And the sacrifice you ask is one  
That you would never make.

This is your life, not mine  
This is your life, not mine  
This is your life, not mine  
And I'm getting out in time

This is your life, not mine  
This is your life, not mine  
This is your life, not mine  
And I'm getting out in time
