

# Too Beautiful

Pansy Division

When we meet  
I feel restrained  
I see your face  
Torture never felt so great  
But still I turn away  
Cause you're too beautiful

I'd be fine  
If we'd never met  
Another guy  
I'd never have a chance to get  
But I don't know what to do  
Cause you're too beautiful

For years I've wondered what it would be like  
To have someone as wonderful as you in my life  
But if friends is all that we'll ever be  
That's not enough for me

My heart easily breaks  
Helplessly  
Repeating all the same mistakes  
So I won't be friends with you  
Cause you're too beautiful  
You're just too beautiful
