

Panzer The 7th Offensive

Panzerchrist

Panzer spearheaded offensive
Panzer the 7th offensive

On the field the bodies burning
Failed human lives
The Warmachine is turning
Spearhead panzerchrist
No respect for human lives
Gives a shit who lives or dies
Misery & cries

Panzer the 7th offensive
Panzer spearheaded offensive

Panzer hordes marching
Serenades of death
Claustrophobic atmosphere
Stench of war & flesh

Bloody gore

Constant attacking
Enemies they die
Our Warmachine keeps turning
Spearhead Panzerchrist
Fear the Panzerchrist
