

# Perfect Kill

Panzerchrist

Ignorant  
That's what your kind are  
A pestilence  
You wont even listen  
Intolerance  
We don't want you anymore  
Punishment  
It well be fast and clean  
So be it...Shit

A fucking disgrace  
To society and race  
You must be the perfect kill  
The perfect kill

We want to see you suffer  
We want you to go away

Extermination must be the way  
Personal pleasure must be achieved  
We wont be happy  
Before you're all dead

PERFECT KILL IN RED
