

# Blood Brothers

Papa Roach

Watch your back because the next man is coming  
And you don't know if the next man is dumbin'  
Survival of the fittest what it is  
I got yo back, you got my back and that's the biz  
Blood is rushing through my veins  
I got the power channel the energy  
And with my strength I will devour  
Sickening thoughts is running through my head  
That's when I realize I'm glad I'm not dead

Corruption and abuse, the salesman of our blood  
For the public's craving, existence in the dark

It's in our nature to destroy ourselves  
It's in our nature to kill ourselves  
It's in our nature to kill each other  
It's in our nature to kill, kill, kill

It was a dream and then hit me, reality struck  
And now my life is all shifty and it all moves fast  
Close to the buck 50 and we all stand strong  
In respect to the family in times of insanity  
And through words of profanity  
I describe our dysfunctional family  
Blood Brothers keep it real to the end  
Deeper than the flux you think, not a trend

Corruption and abuse, the salesman of our blood  
For the public's craving, existence in the dark

It's in our nature to destroy ourselves  
It's in our nature to kill ourselves  
It's in our nature to kill each other  
It's in our nature to kill, kill, kill

Again and aga-a-ain...

Corruption and abuse, the salesman of our blood  
For the public's craving, existence in the dark

It's in our nature to destroy ourselves  
It's in our nature to kill ourselves  
It's in our nature to kill each other  
It's in our nature to kill
