

Carry Me

Papa Roach

I've been looking for something sacred
Running away from the line
Got a burn on bridges on my head
That lead me away from my life
I question my own existence
Question the meaning of life

Why don't you carry me?
Why don't you carry me?
I can't move on, I can't leave on
Carry me
Why don't you carry me?
I can't save me, I am crazy, without you

Picked horns to hold on my halo
And strength to get through the fight
Now I'm laying my cards on the table
Praying everything will be alright
I question my own existence
Question the meaning of life

Why don't you carry me?
Why don't you carry me?
I can't move on, I can't leave on
Carry me
Why don't you carry me?
I can't save me, I am crazy, without you

The hardest ones to love are the ones that need it most
The hardest ones to love are the ones that need it most
The hardest ones to love are the ones that need it most
The hardest ones to love are the ones that need it most

Why don't you carry me?
Why don't you carry me?
I can't move on, I can't leave on
Carry me
Why don't you carry me?
I can't save me, I am crazy, without you

I can't save me, I am crazy
The hardest ones to love are the ones that need it most
The hardest ones to love are the ones that need it most
The hardest ones to love are the ones that need
it most
The hardest ones to love are the ones that need it most
Carry me, carry me, carry me, carry me, carry me, Carry me, carry me
