

# Feel Like Home

Papa Roach

It's been a while since we crossed paths  
I thought I saw you in an hourglass  
I'm not sure where the time is gone  
But I know it's been too long  
We used to say we'd never change  
Now we're trying not to show our age  
I know, you said you needed space  
So, you moved all the furniture around this place

Oh, I hate this feeling  
You don't feel like home  
Oh, I hate this feeling  
You don't feel like home

It's getting dark in sunset park  
I see the marks on your broken heart  
I'm trying not to let it get to me  
But it's hard with all our history  
Leaving town while the city sleeps  
You know, I always had bigger dreams  
I keep looking in the rearview mirror  
You know, I wasn't happy here

Oh, I hate this feeling  
You don't feel like home  
Oh, I hate this feeling  
You don't feel like home

And now I'm running to you, trying to find myself  
But I don't even know where to start  
I can't sit tight as I wait, I've keeping nothing the same  
'Cause I don't even know who you are

Oh, I hate this feeling  
You don't feel like home  
Oh, I hate this feeling  
You don't feel like home  
Oh, I hate this feeling  
You don't feel like home  
Oh, I hate this feeling  
You don't feel like home
