

# Love Me Till It Hurts

Papa Roach

Love me till it hurts  
Love me till it hurts

You are the poison  
You are the pain  
The one chemical inside my veins  
It's true  
I've been infected by you  
I'm not a killer, no I'm not a saint  
And there's nobody left that I can blame  
It's true  
I am the poison in you

Will you love me till it hurts?  
Never leave me at my worst  
Break this cycle, break this curse  
Love me till it hurts  
We are gather, we deserve  
Tell me do I have your word?  
Break this cycle, break this curse  
Love me till it hurts

Love me till it hurts

We fell in love, but then we went to war  
Now I'm your enemy, I'm not your doll  
It's true  
I'm on the fighting for you  
We thought that we can make through the storm  
Hell broke loose then you fell from my arms  
It's truth  
I couldn't hold on to you

Will you love me till it hurts?  
Never leave me at my worst  
Break this cycle, break this curse  
Love me till it hurts  
We are gather, we deserve  
Tell me do I have your word?  
Break this cycle, break this curse  
Love me till it hurts

Will you love me till it hurts?  
Never leave me at my worst  
Break this cycle, break this curse  
Love me till it hurts  
We are gather, we deserve  
Tell me do I have your word?  
Break this cycle, break this curse  
Love me till it hurts

Love me till it hurts
