Nights of Love

Papa Roach

The wicked game that you play so good
I'm falling hard just like you knew I would
This won't last it's too good
I can't stop but I wish I should

Days of war, night of love, heaven's on fire
And I'm on the run
Dancing with the devil in the midnight sun
I'm falling in love, I'm coming undone

I'm outta my head, in a memory of you
I'll never forget what you put me through
It wasn't right what ya did
But I was just as wrong as you

Days of war night of love heavens on fire
And I'm on the run
Dancing with the devil in the midnight sun
I'm falling in love I'm coming undone

Days of war nights of love heavens on fire
And I'm on the run
Dancing with the devil in the midnight sun
I'm outta my head I'm coming undone

I'm on the outside, looking in
I turned my back on myself again
I'm on the ledge, I'm calling out
Somebody better come and talk me down

I said I'd never do it again
But then I keep on giving in
I gotta turn my world around
Because it keeps on knocking me down

I fell hard, it felt good
This won't last but I wish it would
It wasn't right what we did

I'm on the outside looking in
I turned my back on myself again
I'm on the ledge I'm calling out
Somebody better come and talk me down
I swear I'll never do it again
But then I keep on giving in
I gotta turn my world around
Because it keeps on knocking me down
