```
F   A  F    A
Woah-o, woah-o, yeah, yeah
F   A  F    G
Woah-o, woah-o, yeah, yeah
F   A
You say I'm looking really bad, you say I'm looking really sick
F  A
And I don't even care I never really did
F        A
So when push comes to shove and I slap you in the face
G
Just remember one thing...
F         C            G          A       G      F
When its time to fill the void my whole life has been destroyed
C     G           A     G     F
And everyone around me says my time is running out
F  C    G   A  G F  C    G   A  G
I refuse to surrender, I refuse to surrender
F                     A
So when I'm out of control and I'm out of my mind
F                     A
Just remember one thing, I think I'm just fine
F                     A
So catch me when I fall, I won't remember anything at all
G
So catch me when I fall
F         C            G          A       G     F
When its time to fill the void my whole life has been destroyed
C     G           A     G     F
And everyone around me says my time is running out
F  C    G   A  G F  C    G   A  G
I refuse to surrender, I refuse to surrender

F  A  F  A

F   A  F    A
Woah-o, woah-o, yeah, yeah

F   A  F    G
Woah-o, woah-o, yeah, yeah

F         C            G          A       G      F
When its time to fill the void my whole life has been destroyed

And everyone around me says my time is running out
F         C            G          A       G      F
When its time to fill the void my whole life has been destroyed
