

# Let You Down

## Paper Route

I spent all this time  
working so hard  
trying to make ends meet  
what was it for?  
I don't know  
I don't know who I am anymore.  
I don't know anymore.

There's a part of me  
Always wishing for something  
that I can't have,  
is that the point?  
I don't know  
I don't know what I want anymore.  
I don't know anymore

I'll let you down  
I'll let you down  
I'll let you down  
I'll let you down

I stay up all night  
pacing the floor.  
These thoughts in my mind  
just can't be ignored  
so I'll run  
I'll run so far away  
what about love?  
I don't know anymore

I'll let you down  
I'll let you down  
I'll let you down  
I'll let you down

I'm not afraid to give up or give in  
It's the strongest of us  
who can fail in the end,  
so come on, come on now  
give it your best shot.

I'm not afraid to give up or give in  
We're gonna die anyway  
what's the point in the end?  
So come on, come on now  
give it your best shot

I'll let you down  
I'll let you down  
I'll let you down  
I'll let you down...
